2ND BAPTIST BUDGET...WHERE DO WE STAND

Increased food costs. Home heating has doubled. Gas is now \$4.25 a gallon.

Where does this leave the budget of 2BC? The answer is "very tight."

Next question: How does the church cope with the increased cost of living?

Answer: Through faith! We must have faith that God will carry us through these difficult financial times. We must all pray that this church and others around us pray for guidance.

We can talk about budget cuts, and, loss of positions,

but Luke teaches us not to worry about life. "For all these things the nations of the world seek after, and your Father knows that you need these things. But seek the kingdom of God, and all these things shall be

added to you. Do not fear, little flock, for it is your Father's good pleasure to give you the kingdom" (Luke 12:30-33)

The Budget Committee is

asking for your input of how we can be good stewards of God's money. Do you have any ideas or suggestions that will make a difference? Please share them with us

Our next meeting is scheduled for July 20 at 7:30pm. There is a "folder" available on the Information Table for your thoughts. Don't be afraid to give us advice or suggestions. We need your input.

We are now looking at a fuel bill for the coming season of over \$20,000. Our monthly mortgage payment is \$1316.89. Our light bill has increased 30%. And it goes on and on.

Please pray for guidance as we face our economic dilemma.

WHO ARE THOSE PEOPLE??

Who are those people living in the church basement and what are they doing here? Youthworks!!

This is sixth year for Youthworks in Calais, and the second year at 2BC. Calais is the only site in Maine to host these young people. The city was chosen main

because of the high elderly population, the struggling economic conditions, and it's a small town.

So let's meet this basement dwellers individually and do a brief profile of each.
